

1. Visit **<https://agilestory.app>** and register yourself in FREE account.  
(Skip it if already Registered)

A screenshot of the AgileStory 'Create Account' form. The form is on a purple background. It includes the AgileStory logo and the title 'Create Account'. The form fields are: 'First Name' (with a placeholder 'First Name'), 'Last Name' (with a placeholder 'Last Name'), 'Email' (with a placeholder 'Email'), 'Password' (with a placeholder 'Password' and a note 'Minimum 7 characters'), and 'Password Confirmation' (with a placeholder 'Password Confirmation'). A yellow 'Sign Up' button is at the bottom of the form. The Windows taskbar is visible at the bottom of the screen.

2. After successful registration, you will be on the home page.

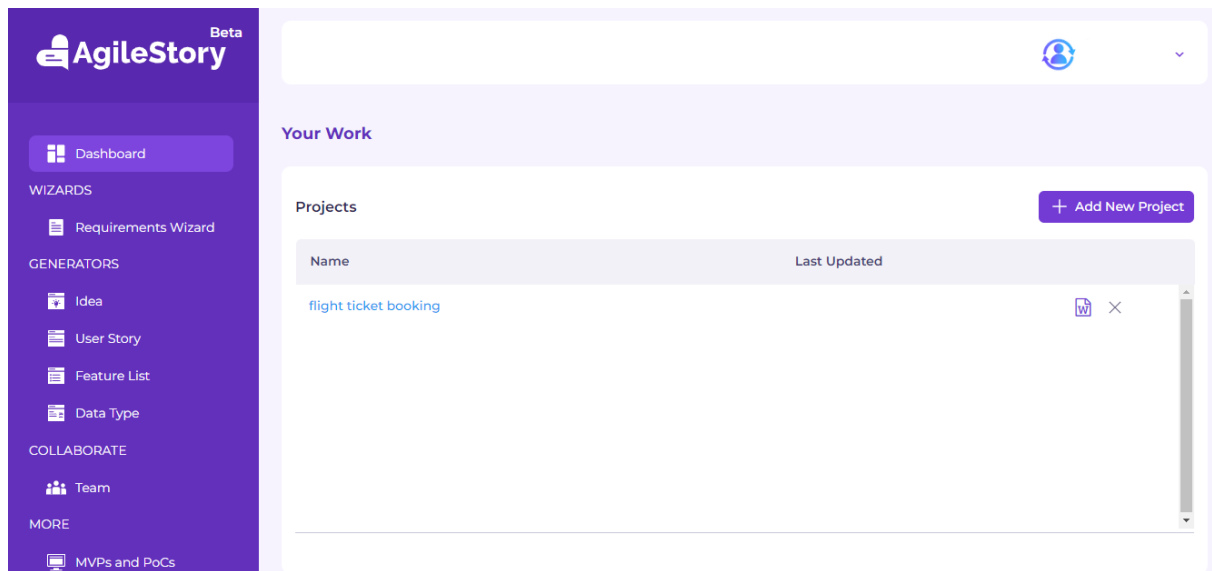

(Verify E-mail address also.)

3. Click on Add new Project => Provide a suitable name. (Enrolment Id)

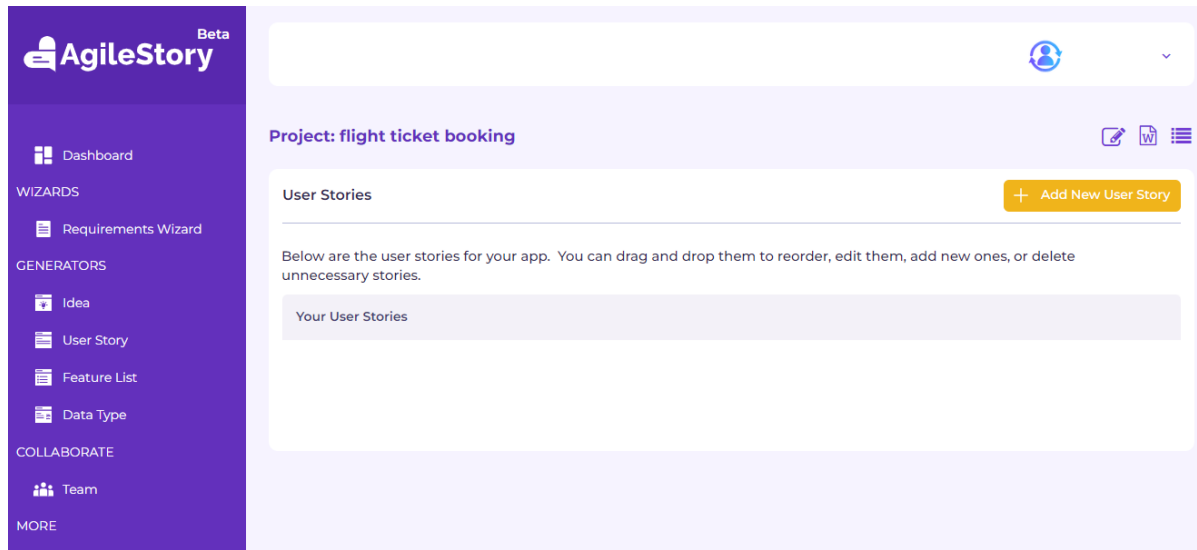

4. After creating the Project, you will be on the project home page.

5. Click on the project just created.

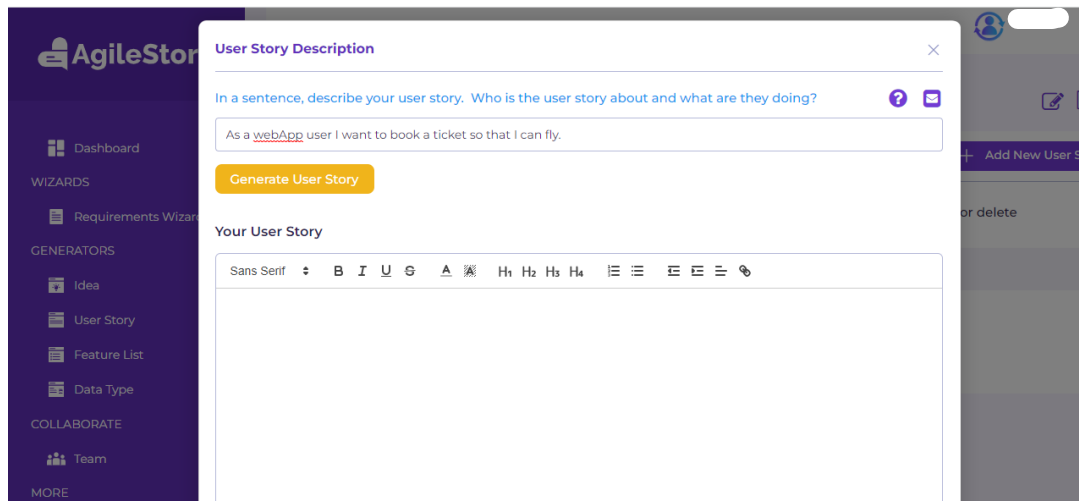

## 6. Click on Add New User Story.

## 7. Use proper format to write user story :

**<AS> actor/user <I want> do some action <So that> he/ she can achieve the <Goal>.**

## 8. After writing the user story, click on Generate User Story.

9. **Generated user story with Acceptance Criteria.**

- a. **Copy user story and Acceptance criteria.**
- b. **Paste them into required cells in the excel file.**
- c. **Analyse each user criteria.**
  - i. **Mark relevant or irrelevant based on the analyse**
  - ii. **Provide the correct version of acceptance criteria if found irrelevant.**

10. **Click on Save & Add Another to add more user stories. (Total 10 stories)**

The screenshot shows the AgileStory web application interface. On the left is a dark purple sidebar with navigation links: Dashboard, WIZARDS, Requirements Wizard, GENERATORS, Idea, User Story, Feature List, Data Type, COLLABORATE, Team, MORE, and MVPs and PoCs. The main content area has a header with the text "In a sentence, describe your user story. Who is the user story about and what are they doing?" and a question mark icon. Below this is a text input field containing "As a webApp user I want to book a ticket so that I can fly." and a purple "Generate User Story" button. The "Your User Story" section displays the generated user story and acceptance criteria in a rich text editor. The user story is "User Story: As a webApp user, I want to book a ticket so that I can fly." The acceptance criteria are listed as: "-When a user logs in, they will be able to view a list of available flights.", "-The user will be able to select a flight and book it.", "-The user will be able to view their booking information.", and "-The user will be able to cancel their booking." At the bottom right are two buttons: "Save & Add Another" (yellow) and "Save & Close" (purple).

**Submission:**

**Rename the excel file as follows: *<name>\_<enrollment\_no.>.xlsx***

**Submit the excel file only.**
